### *Like Nothing Else in the Showroom*

We are pleased to send you product information that you requested, highlighting Sonoma Forge's unique line of hand-made copper & brass fixtures and matching accessories.

Sonoma Forge makes beautiful faucets in distinctive designs - some with "living" finishes (meaning they will patina over time) giving your home or commercial project additional character.

Additional product photos may be viewed on our website, as well as our social media sites. The website is also your best resource for up-to-date specifications & installation guides for our fixtures.

For availability and pricing, we encourage you to visit one of our authorized displaying showrooms servicing the luxury kitchen & bath market throughout the U.S. For the location nearest you, please visit:
